

Awareness Programme on Animation and Graphics on May 5, 2026 at 11:00 am

Name of the School: The G.K. Welhams College, Moradabad

No. of Students participated: 153

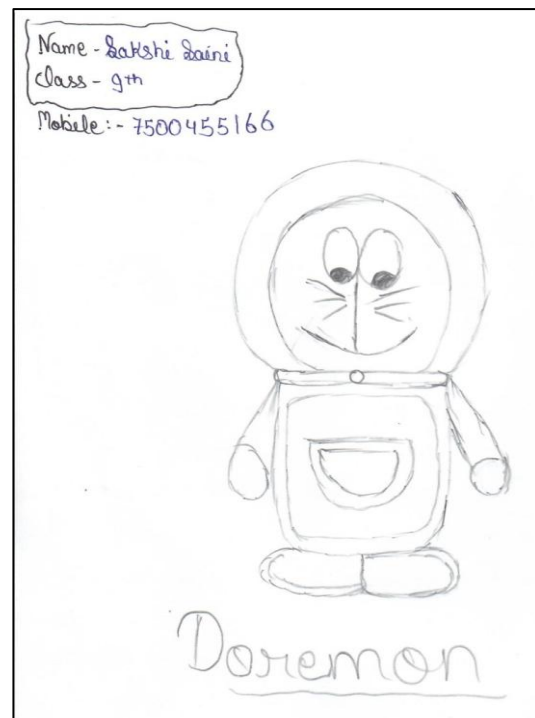

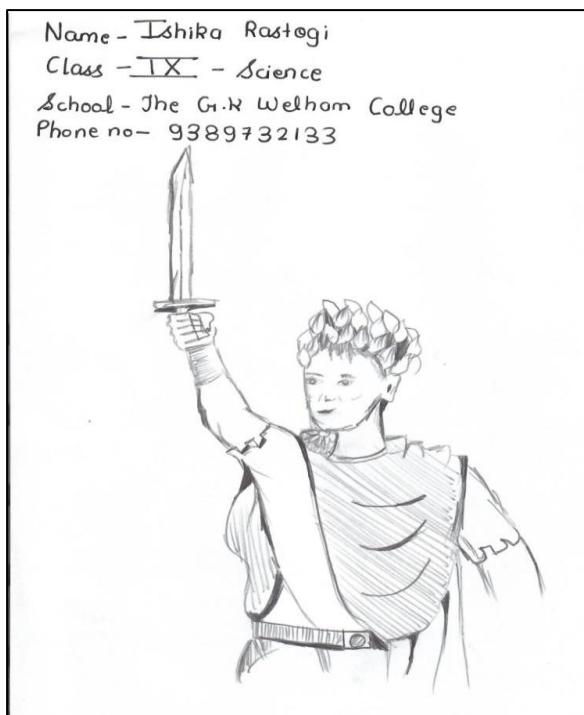

The Awareness Workshop on Animation and Graphics was organized by RAA Moradabad with the objective of introducing students to the fields of animation, graphics, and VFX.

The First Session was for the students of Tenth Class with an introduction to the workshop theme. Mr. Manish Bhatnagar, Lead Faculty RAA Moradabad highlighted the growing relevance of Animation and VFX, emphasizing their significant contribution to the economies of countries such as Japan and USA.

The Second Session was for the students of Ninth Class with presentation by Mr. Manish Bhatnagar, who discussed the importance of drawing skills and explained the fundamentals of animation.

The workshop concluded with interactive student activities, where participants took part in a drawing exercise by sketching their favourite cartoon characters such as Doraemon and Shinchan.

The following are some of the selected drawings:
