GAMING CHAMPIONSHIP 2026

RELIANCE ANIMATION ACADEMY PRESENTS

The Ultimate **RED** vs. **BLUE** Tactical Showdown

BATTLEGROUNDS MOBILE INDIA | COD MOBILE

Organized By

Reliance Animation Academy

ALIGNING WITH THE NATIONAL VISION

A Message for the Future

Hon'ble Prime Minister Narendra Modi has actively encouraged India's youth to transition from being mere consumers of games to becoming global creators. He envisions India as a powerhouse in the global gaming and AVGC (Animation, Visual Effects, Gaming, and Comics) sector.

"Gaming is not just entertainment; it is a powerful medium to showcase Indian culture, build technological expertise, and create immense economic opportunities for our youth."

Impact on Education

By sending your students to the **Gaming Championship 2026**, you are opening a door to their future in the digital economy. It is an opportunity to identify talent in strategic thinking, teamwork, and high-pressure decision-making.

- **Cognitive Development:** Enhances spatial awareness, multitasking, and complex problem-solving abilities.
- **Career Exposure:** Practical insight into 3D Design, Animation, & Coding.
- **National Movement:** Joining the mission to make India a self-reliant gaming hub.

THE AVGC POWERHOUSE

The gaming industry is a driving force of the modern digital economy. The Union Budget has provided a significant boost to this sector to capture 5% of the global market share.

\$26 Billion

Projected Indian AVGC Market Size
by 2030.

500M+

Active gamers in India, driving the
demand for creative professionals.

From Players to Professionals

At **Reliance Animation Academy**, we bridge the gap between playing and building. This tournament provides students a professional E-sports environment and crucial guidance on translating their passion into a lucrative career.

During the event, our faculty will provide insights into:

- **Workflow Dynamics:** Designing characters and maps using Unreal Engine and Maya.
- **Mentorship Opportunities:** Identification of natural talent for level design and logic.
- **Industry Pathways:** Building a creative portfolio for global studios.

TOURNAMENT DETAILS

The Digital Battleground: **RED** vs. **BLUE**

A tactical team-based competition in Battlegrounds Mobile India and COD Mobile. Minimal investment for maximum exposure.

- **Platform:** Mobile Version (Tactical Deathmatch).
- **Investment:** ₹0 per student
- **Rewards:** Cash Prize & Certificates.

The Full Experience: Rewards & Recognition

Celebrate digital talent with official certification, grand cash prizes, and networking opportunities with our technical faculty.

Report on Gaming Workshop and Competition organised by Reliance Animation Academy, Moradabad

Date: April 26 & 27 and May 3, 2026

Venue: Reliance Animation Academy, Moradabad

Event Type: Gaming Workshop & Competition

A dynamic and engaging Gaming Event was organized at Reliance Animation Academy, Moradabad with the objective of introducing students to the rapidly growing world of e-sports and game-based learning. The event aimed to blend entertainment with skill development while highlighting career opportunities in the gaming and AVGC (Animation, Visual Effects, Gaming, Comics) industry.

2. Objectives of the Event

- To create awareness about the gaming industry and e-sports ecosystem
- To enhance strategic thinking, teamwork, and decision-making skills
- To provide hands-on exposure to popular competitive games
- To promote creative and technical career pathways in gaming

3. Event Highlights

🎮 Popular Game Competitions: Students participated in competitive matches of widely played games such as BGMI, Call of Duty and Free Fire.

🧠 Skill Development: Participants demonstrated quick reflexes, team coordination, and tactical gameplay.

🏆 Tournament Structure: The competition was conducted in knockout rounds leading to exciting finals.

🎤 Live Engagement: Faculty members and mentors guided students and shared insights about gaming careers, streaming, and game design.

Participation

The event witnessed enthusiastic participation from students of various schools and age groups. Both beginners and experienced gamers actively engaged, making the competition vibrant and inclusive. More than 150 students participated in the Gaming events.

Winners & Recognition

Winners and runners-up were awarded certificates and Cash prizes of Rs. 2500/- per squad.

Outcomes of the Event

The participants gained:

- Exposure to competitive gaming environments
- Understanding of gaming as a career option
- Improved problem-solving and teamwork abilities
- Awareness of game design, animation, and VFX integration in gaming

The Gaming Event at Reliance Animation Academy, Moradabad was a resounding success. It not only entertained but also educated students about the evolving digital landscape. The event reinforced the academy's commitment to nurturing future-ready creative professionals in the AVGC sector.

Future Scope

- Organizing Summer Camps to create awareness among the students
- Conducting game development workshops
- Workshops on VFX, AI in Film Making, Editing
