

Workshop on Animation and Graphics on April 22, 2026 at 11:30 am

Name of the School: Wilsonia School, Moradabad

No. of Students participated: 15

The Workshop on Animation and Graphics was organised by RAA Moradabad. It was organised to create awareness among the students about animation, graphics and VFX. The session was initiated with opening remarks by Mr. Firoz, Wilsonia School.

It followed by introduction of the theme by Director, RAA Moradabad. Further, a presentation to the same was delivered by Mr. Tejonidhi Bhandare, CEO Reliance Animation accompanied by Mr. Kaustubh Pathak, Manager (Administration and Operations) at Reliance Animation Studios.

Activity 1: The students were asked to stand and close their eyes to think of a story and try to imagine it. This activity was done to tell them about the generation of their character and how far they think about any character. In other words that how creative they think of someone or something.

Activity 2: The students were asked to Volunteer for Voiceover of their favourite characters.

Activity 3: The students were asked to Volunteer and asked to express the Facial expressions for Happy, Sad, Angry, Surprised face.

Thereafter, the students were made aware of the Production Works of Reliance Animation and Reliance Studios. The students were educated about VFX effects and were shown the VFX breakdown of Golmaal Again

Activity 4: The students were distributed the drawing sheets to exhibit their creativity as draw the facial expressions on the sheets printed with blank faces.
